Grade as of January 1, 2025	Kinder, 1st, 2nd	3rd, 4th, 5th	6th, 7th	8th and up
Age as of January 1, 2025	5 year olds; 6 year olds; 7 year olds; and 8 year olds in the 2nd grade	8 year olds in the 3rd grade; 9 year olds; 10 year olds; 11 year olds in the 5th grade	11 year olds in the 6th grade; 12 year olds; 13 year olds in the 7th grade	13 year olds in the 8th grade; 14 year olds; 15 year olds; 16 year olds; 17 year olds; 18 year olds; Youth who are 19 by December 31 of the current 4-H year are not eligible to enroll as a 4-H member.

The current 4-H program year is October 1, 2024, through September 30, 2025. Rodeo age requirements vary slightly from other 4-H programs and can be found in the [NM 4-H Rodeo Rule Book](#) on the NM 4-H Website. *While the [4-H Cloverbuds program](#) is a component of the overall 4-H Youth Development program and 4-H Cloverbuds members are recognized as 4-H members for the purposes of enrollment, they are considered to be in a special membership category with regard to programs and policies.

4-H Good Standing Requirements

Members, parents, and leaders, do you know what 4-H members need to do to be in "good standing"? If not, please take a moment to look now. Don't wait until before the fair (or other event/activity) when you may not have enough time to meet the requirements.

Remember! A 4-H member in good standing is one who has met the following requirements:

- Enrolls in a 4-H Club by February 1, 2025.
- Attends at least 40% of all club meetings held between October 1, 2024, and the date of the event or activity. Some 4-H Clubs require members to attend at least 50% of club meetings. Be sure to check with your 4-H club leader for the minimum number of meetings you are required to attend to be in "good standing".
- Follows the NM 4-H Conduct and Behavior Expectations of Youth and Adults.

Enrollment Changes and Meeting Attendance

Please contact the Extension Office, (575) 437-0231, if you would like to make a change to your 4-H enrollment. This includes changing to a different club, adding/dropping 4-H projects, updates to your contact information, etc. **4-H members will only receive credit for attending 4-H meetings via the club they're enrolled in through Zsuites.** 4-H youth enrolled in multiple 4-H clubs must meet the attendance requirements of all clubs they are enrolled in to be considered in good standing.

NM 4-H Community Service Scholarship

The NM 4-H Community Service Scholarship provides financial assistance to any Novice, Junior, or Senior 4-H members participating in a state 4-H event (examples: Senior Leadership Retreat or Youth Get-Away). The scholarship will cover the registration expenses for the state 4-H event. In addition, the scholarship also provides \$250 of the team fees for Senior 4-H members serving as a State 4-H Officer or Ambassador. A complete description of the scholarship criteria and an application form can be obtained from the NM 4-H website. A list of scholarship application deadline dates is also included on the website.

4-H Volunteer Leader Enrollment Reminder

This is a friendly reminder for adult volunteers interested in serving as 4-H volunteer leaders with Otero County 4-H, the following requirements for enrollment must be met:

- Complete volunteer background check/screening process. Forms (2) may be downloaded from the Otero County Extension Service website. Submit completed forms and \$10 to the Otero County Extension Office.
- Complete and submit an adult enrollment form and adult liability form to the Otero County Extension Office.
- Complete the annual NM Working with Minors course found on ZSuites. Contact the Extension Office, 575-437-0231 or otero@nmsu.edu, for a detailed set of instructions for completing this online training course. Once you have completed the training, an email will be sent to you stating that you have completed the NM Working with Minors course. In addition, the Otero County Extension Service will be able to access your completion date of the NM Working with Minors training via Zsuite.

Please make completion of the above requirements a priority as adult volunteers may not engage in 4-H activities nor register for events until they have met the requirements. Also, adult volunteers must submit a new background check/screening process every five years.

All 4-H enrollments (Youth & Adult) require a liability waiver to be filled out and signed by hand (wet signature). No typed signatures will be accepted!

SLR 2025 REPORT

The 2025 Senior Leadership Retreat (SLR), held from March 21-23 at The Glorieta Adventure Camp near Santa Fe, brought together youth from across the state for a weekend focused on personal and professional growth. This year's retreat was hosted by the State 4-H Leadership Team under the theme "Dancing Through 4-H." Participants engaged in a variety of workshops and activities designed to enhance their leadership, develop teamwork, and explore career opportunities. Otero County had 9 youth attend this event with the assistance of two volunteer chaperones and the county 4-H agent.

Friends of NRA 2025 Banquet

The Otero County Buckshots were invited to participate at the annual Friends of NRA banquet that was held on March 1st of 2025. We had 13 youth and 9 adult volunteers participate in helping with this event by assisting with event set up and tear down, running game tables, assisting with auctions, and clearing dinner plates from guest tables.

Friends of NRA is a grassroots program that fosters community involvement, raises money, and gives 100% of the net proceeds to qualified local, state, and national programs. In past years, our shooting sports program has received funding from Friends of NRA.

Veterinary Science Overnight Camp

May 2nd-4th, 2025 NMSU Campus, Las Cruces NM

The Veterinary Science Camp is designed for underserved students in New Mexico or located within 135 miles of the state line. It is being put on by the Veterinary Science Certificate Program from Texas A&M AgriLife Extension.

- Hands-on animal experience
- Tour NMSU College of Agriculture
- Learn Vet Science Skills
- Explore Careers in Vet Medicine and Animal Science

Registration is [here](#) and is limited to 20 students and opens March 1st. The cost is \$75 per student. For more information: aevm.tamu.edu.com or your 4-H Agent.

4-H Project Materials

In 4-H, there are numerous projects available to members. Projects include animal science, gardening, photography, foods, clothing, public speaking, creative arts, Cloverbuds and more. A complete list of projects is available on the [NM 4-H website](#). Project materials are available for each 4-H project which include manuals and record forms. Members receive materials by enrolling in the project and requesting materials from the Otero County Extension Service. Leaders may also request project materials to facilitate 4-H project meetings.

Many of the 4-H project materials are available as a digital file (free of charge). In Otero County, the first three printed project materials are provided free of charge to 4-H members and any additional projects cost \$4.00 each. If you would like to request digital or printed project materials, please call (575-437-0231) or email (otero@nmsu.edu) the Otero County Extension Service. There is no deadline for adding a project to your enrollment during the 4-H program year.

2025 Indoor Project Revisions

Everyone should have received an email from Kelly on March 27th with indoor project revision information. The following projects have been updated:

Uniquely New Mexico - New Mexico Roundup - Braiding - Scrapbooking - Hobby Crafts (Legos) - Let's Make A T-Shirt - Breads - Pastries & Pies - Understanding Preschool Children

If you would like a copy of the newly revised projects, please contact the Otero County Extension Office (575)437-0231.
