Age as of January 1, 2024	5 year olds; 6 year olds; 7 year olds; 8 year olds and in the 2nd grade	8 year olds in the 3rd grade, 9 year olds, 10 year olds, 11 year olds in the 5th grade	11 year olds in the 6th grade; 12 year olds; 13 year olds in the 7th grade	13 year olds in the 8th grade; 14 year olds; 15 year olds; 16 year olds; 17 year olds; 18 year olds; Youth who are 19 by December 31 of the current 4-H year are not eligible to enroll as a 4-H member

The current 4-H program year is October 1, 2023 through September 30, 2024. Rodeo age requirements vary slightly from other 4-H programs and can be found in the NM 4-H Rodeo Rule Book on the NM 4-H Website.

*While the 4-H Cloverbuds program is a component of the overall 4-H Youth Development program and 4-H Cloverbuds members are recognized as 4-H members for the purposes of enrollment, they are considered to be in a special membership category with regard to programs and policies.

Good Standing

Members, parents and leaders, do you know exactly what 4-H members need to do to be in "good standing"? Do you know what the "good standing" requirements are? If not, please take a moment to check these out now. Don't wait until before the fair (or other events/activities) when you may not have enough time to meet the requirements.

Remember, a 4-H member in good standing is one who has met the following requirements:

--Enrolls in a 4-H Club by February 1, 2024.

--Attends at least 40% of all club meetings held between October 1, 2023 and the date of the event or activity. Some 4-H Clubs require members to attend at least 50% of club meetings. So, be sure to check with your 4-H club leader for the minimum number of club meetings you are required to attend to be considered in "good standing".

--Follows the NM 4-H Conduct and Behavior Expectations of Youth and Adults.

4-H Project Materials

In 4-H, there are numerous projects available to members. Projects include animal science, gardening, photography, foods, clothing, public speaking, creative arts, Cloverbuds and more. A complete list of projects is available on the NM 4-H website. Project materials are available for each 4-H project which include manuals and record forms. Members receive materials by enrolling in the project and requesting materials from the Otero County Extension Service. Leaders may also request project materials to facilitate 4-H project meetings.

Many of the 4-H project materials are available as a digital file (free of charge). In Otero County, the first three printed project materials are provided free of charge to 4-H members and any additional projects cost \$4.00 each. If you would like to request digital or printed project materials, please call (575-437-0231) or email (otero@nmsu.edu) the Otero County Extension Service. There is no deadline for adding a project to your enrollment during the 4-H program year.

4-H Enrollment Changes and Meeting Attendance

Please contact the Extension Office, 575-437-0231, if you would like to make any changes to your 4-H enrollment. After February 1, 2024, you will not be able to make any changes in the Zsuite enrollment program via the Zsuite website and therefore you will need to contact the Extension Office by phone, 575-437-0231, or email, otero@nmsu.edu, and request changes be made to your enrollment. This includes changing to a different club, adding/dropping 4-H projects, updates to your contact information, etc. Parents/guardians need to check with their organizational 4-H club volunteer leader and confirm their youth are enrolled in the 4-H club they are attending 4-H club meetings for as good standing verification will be sent to the 4-H club youth are enrolled in via the Zsuite enrollment program. 4-H members will only receive credit towards good standing for attending 4-H club meetings for which they are enrolled in via Zsuite. Also, 4-H youth enrolled in multiple 4-H clubs via Zsuite are required to meet the attendance requirements of all clubs they are enrolled in to be considered in good standing.

4-H Volunteer Requirements

To help with 4-H events, adult volunteers will need to

1. Complete a background check

2. Enroll as a Volunteer either paper copy or on Zsutes.

3. Complete the working with minors course on Zsutes:

1. Go to <https://4h.zsuite.org> For best results: Use Google Chrome, Safari or Firefox as your internet browser. Complete this training on a laptop or desktop computer. If you are using a tablet device, please note you may need to scroll to have text and interactive elements in this training to appear and/or work properly.
2. Sign-up and register a new household account. If you already have an account skip to #3. (A tip sheet for creating a new household account is available from the ZSuite website.)
3. Log in with your email and password. If you had an account and can't remember your password select "Forgot Password?" to reset.
4. If you open any window in Zsutes and you see the pink "UPDATE READY - CLICK TO RELOAD" – click on the pink update button so that you have the latest updates.
5. Select "Clover Academy" on left menu bar, then select "ENROLL" for the New Mexico – Working with Minors training. You may need to scroll to the bottom of the page to see the training and "ENROLL". Please note, there are additional trainings on this page that are optional.
6. Select "YES" for confirming your enrollment in New Mexico – Working with Minors training.

7. Select "OK" indicating that you have been successfully enrolled in the training
8. Select "LAUNCH" to open the next page of New Mexico – Working with Minors training.
9. Select "New Mexico Working with Minors" to open the next page of New Mexico – Working with Minors training.
10. Select the blue box to begin the training.
11. Select "START EXPLORING" and read each lesson. After you scroll to the end of each lesson, you will see the title of the next lesson at the bottom of the screen. Select the next lesson shown on the bottom of the screen to advance through each lesson. Click on lesson features (such as images, symbols +, etc.) as provided to expand and read additional text. There are two quizzes (knowledge checks) within the training that you must complete. If you do not score 80% or higher to pass, you will need to retake the quiz. There is a retake button at the end of each quiz.
12. Once you complete all lessons and successfully pass the quizzes, select "Completion Certificate" button in the bottom right corner of the screen.
13. You will be taken to another page where you may view a certificate of completion for successfully completing the New Mexico – Working with Minors training. No additional actions need to be taken on your part. Zsuite will notify the County Extension Office that your annual training is complete. Please contact the Extension Office if you have any questions, 575-437-0231. Thank you!

Sewing

4-H sewing workshops will be held on Monday afternoons in March at the Otero County Extension Office. All Novice, Junior, and Senior 4-H members may participate in the sessions. If you are interested in participating in the sessions, please contact Kelly at the Extension Office, 575-437-0231 or kelknigh@nmsu.edu. Kelly will provide assistance to 4-H families for selecting a 4-H sewing project. Sewing options include garments, tote bags, aprons, quilts, to name a few. All sewing levels are welcome, beginners to advanced. Sewing machines will be provided for 4-H members to use or 4-H members may bring their own machines to the sessions. There is no fee for participating. However, 4-H members are responsible for purchasing some supplies such as fabric, thread, patterns, buttons, elastic, etc.

Last 4-H year we had a growing number of 4-H members participating in the sewing sessions. If the numbers continue to grow, we will need more adults to stay and assist 4-H members during the sessions. Parents are always welcome to attend the sewing sessions and help their child(ren). Parents do not have to be experts in sewing to help, they simply need to be willing to learn and help. The agent and volunteer leaders will provide direction and assistance to 4-H members during the sessions, but we may need additional adults to attend with their youth. An adult who is an enrolled 4-H leader is welcome to assist any of the 4-H youth. Parents who are not enrolled 4-H leaders may assist their own child(ren) during the sewing sessions. We have 10 sewing machines available each week for sewing. If we have an occurrence of not having enough machines for the number of youth attending the sessions, then we may need to look at requiring 4-H families to RSVP for the sewing sessions.

The purpose of the 4-H sewing project is to provide 4-H youth with a lifetime skill. Youth will learn skills that can save them money throughout their lifetime. They can replace a lost button or sew a seam that ripped open. They will also gain self-confidence, patience, perseverance, problem-solving and they'll have an opportunity to express their creative side through sewing. 4-H'ers will enter their completed sewing items in the Otero County 4-H Achievement Day (usually scheduled in August) and may participate in 4-H Fashion revues (summer months).

Please contact Kelly at the Extension Office if you have any questions regarding 4-H sewing projects, 575-437-0231 or kelknigh@nmsu.edu.

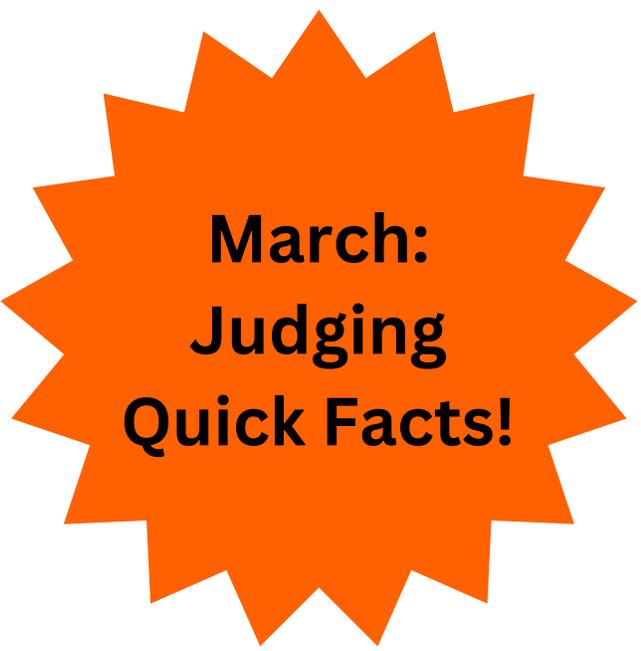

Take 10 with 4-H

What:
Idea/Information Sharing for 4-H Volunteer Leaders via Zoom

An extension agent or 4-H volunteer will present about 5-7 minutes on a topic and open up for sharing from participants for remainder of the 10 minutes. Sessions will be recorded and shared on the State 4-H website. Since the scheduled Take 10 sessions will only focus on one small part of a larger topic, additional resources will also be found on the State 4-H website under the selected Take 10 topic.

When:
 1st Thursday of the month on the dates below during the lunch hour.

The topics held during the same lunch hour will be separate presentations.
